AROUND TOWN

Who Are the People In Your Neighborhood?

Submitted by Cara Dredge

There are no shortage of wonderful people who make Redfield a great place to live and work. Each month, we'll celebrate some of the neighbors making a difference in our community. This month, get to know Stephan and Paulette Arnburg.

Q: What can you tell us about yourselves?

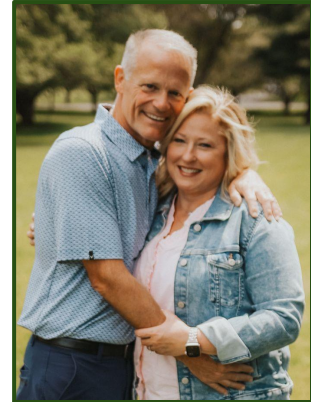

A: Stephan and I have three kids - Alex, Bailee, and Cole, daughter in law Allison, two significance Jon and Jaida, and three grandkids - Lilli, Paisley, and Benson. We are blessed that they all live close and are lucky to see them a lot. We love to be able to have lots of get togethers and family time at our home here in Redfield. We are very competitive and love to have fun!

Q: What can you tell us about your business?

A: I own and operate Hair Junction. The salon has been in Redfield for almost fifty years with only three owners. I've been here for thirty years. We provide services for the whole family.

Q: Just for fun, if you could get rid of any month in the year, what would it be?

A: January. I do not love cold weather!

Say hello to Redfield residents Stephan and Paulette Arnburg.

HEY, NEIGHBORS! If you live, work, volunteer, or otherwise help make Redfield awesome, I want to hear from you! Please complete the Google form: <https://forms.gle/hwxCGwmeKBCUyFPM9> [a paper copy is included in this edition] We'll spotlight a different neighbor each month in upcoming issues of the Redfield Review. If you have an idea of someone who should be included, please email your suggestion to caradredge@gmail.com

City Council Minutes

Submitted by Deb Light

The Redfield City Council met in regular session on Tuesday, October 8, 2024. Mayor Reed called the meeting to order at 7 P.M. Present were council members Danielson, Cave, Meyers and Stonehocker, Attorney Updegraff and Clerk Light. Council member Gish was absent.

Danielson made a motion to approve the agenda, Cave seconded the motion. Roll call vote – Stonehocker, Meyers, Cave and Danielson, all ayes. Motion carried.

After discussion on one of the bills, a motion was made by Cave and seconded by Meyers to approve the consent agenda which included the minutes of the previous meeting and the claims paid. Roll call vote – Meyers, Cave, Danielson and Stonehocker, all ayes. Motion carried.

Library Board member Pauletta Cox gave the library report.

Zoning Administrator Bowman reported one permit was issued for solar at 1002 Edwards Street. Bowman said Harold Harshburger who signed in as a visitor would like to combine two residential lots so he can build a garage. Harshburger then spoke and said the lots are located at 1210 First and 1214 First Street. Meyers moved to approve the request to combine parcels, Stonehocker seconded the motion. Roll call vote – Cave, Danielson, Stonehocker and Meyers, all ayes. Motion carried.

Code Enforcement Officer Leedum was not present due to vacation. The council reviewed the list of September notices sent.

The Building Inspection Services Agreement was reviewed and tabled.

EMS President Paardekooper reported 12 calls for the month and said a new Jr. member was added, making 12 persons on the EMS roster.

Fire Chief Short reported four fire calls in September and some training done in a burn trailer. Short said the side-by-side fundraiser was a success.

The Dallas County Sheriff's Office reported 58 calls for the month, with a total of 88 hours of patrol time.

Visitors Karen Hollett and daughter Anita were present with complaints. Mayor Reed informed them they would need to fill out and sign a complaint form in order to be heard at a future meeting. Dexfield Diner owner, Steve Roberts also gave an update.

Voting: Election day is Tuesday, November 5, 2024. If you have not voted already, Please make a plan to do so and go do it on or before Tuesday, November 5, 2024. On election day everyone is equal regardless of socioeconomic status, sex, race, color or creed. We all get one vote a piece so be sure to cast yours. If you are not sure if you are eligible to vote or not, you must be registered. The deadline for registering is on Election Day. To get information on how to register: go to Vote.org. You must be 18 years old or older by election day and be a citizen of the United States and you can register at the polling place. Bring a photo ID (driver's license, passport) with your address on it. Let's honor our military veterans, especially those who made the ultimate sacrifice so we could be free by voting on election day this November 5th.

COVID Infections: We are still seeing positive COVID tests at the Clinic. Getting a COVID booster now decreases your chance of being hospitalized and getting very ill by 80%. Therefore everyone over 65 should get a COVID booster unless you have had a bad reaction to one previously. Younger folks with preexisting conditions such as heart, lung disease or impaired immunity systems should receive the new COVID booster. All of us at the Redfield Clinic get the recommended vaccination because we do not want to get sick or spread it to others. We are believers that an ounce of prevention is worth a pound of cure.

We have also had one case of influenza A last week, so we are also recommending people get their flu vaccine as well now or at least before Thanksgiving.

MEDICARE OPEN ENROLLMENT: You can explore your Medicare coverage options from October 15th to December 7th. You can change to another plan that may save you some money but make sure it will cover you current medical providers and also help pay for the medications you are currently taking. You can find information on Medicare coverage at Medicare.com. The Dallas County Public Health Nurses have a health navigator who can also help you find the correct information (at phone number (515)993 3750 or you can call the Senior Health Insurance information Program (SHIP at 1-800 -351-4664).

Darlene Pitsenbarger: Darlene passed away on October 20th, 2024 at the wonderful age of 100 and 6 months. Darlene was a school teacher who taught many people in our community. Darlene has a special place in our heart for a lot of reasons. She wrote a very persuasive letter to several Iowa legislators when we needed the legislature to pass legislation to keep care in Redfield. She will be missed but she taught us all how to live and make a difference. Darlene was willing to go out of her way to help others. She will be sorely missed by us and many of us in the Redfield community. Thank you to all others who have helped us keep medical care in Redfield.

Fentanyl: Last year Fentanyl overdoses caused the death of 73,000 Americans, including some in the Redfield area. To avoid being one of the victims of a Fentanyl overdose, do not take any Medications unless you know the drugs came from a reputable source.

Health program for Redfield Clinic patients: Redfield Clinic is participating in a program to keep our patients healthy. Because of this program you may get a contact from folks reminding you of the things you can do to stay healthy. These may include screening examinations: ie bone density tests, Mammograms, Pap smears, Prostate exams, blood sugar and cholesterol blood tests and other programs offered by your insurance. Early detection can make a difference between surviving a medical problem or succumbing to it. Most of us would not hesitate to do preventive maintenance on our vehicles because we do not want them to break down unnecessarily. We should treat our own bodies with equal care. We think this program will help us get this done. If you have any questions about this program, please contact us at the Redfield Clinic.

The Raccoon River Valley Trail at the Redfield Depot

Submitted by Louise Kipping

Fall is a great time to take a ride or a walk on the trail, this was especially true in October this year! The mulberries are long gone, but walnuts hiding under piles of beautiful autumn leaves throw riders and walkers off course occasionally. Let's hope there is still some good trail weather in November!

The "Lighted Bridge" on the east edge of Adel which has been closed for repairs and updates for the past few months has now been opened. This is great news because it essentially prevented trail passage for the Loop without any trail bypass. And by now we have almost forgotten about the closure from Redfield to Linden which delayed the depot opening this spring. It was worth the wait as the renovations on the trail were needed and are certainly enjoyed now.

The depot in Redfield will be closed (except for the west room where the bathroom is located) until next spring. The trail itself is always open, and once the snow comes it can be used for cross country skiing! Thanks to all of our volunteers who welcomed, answered questions, made cookies, and had fun chatting with trail users as they came through. We hope to see everyone back next summer!

Submitted by Barbara Horn

Barbara Horn opened the meeting with a prayer in the absence of our Chaplain with six members present on October 8, 2024. Normal opening procedures took place.

Roll call was taken, recording 117 volunteer hours.

The treasury report was given by Patricia Griffith. Much time was spent discussing the Veterans' Dinner on November 9. Menu was discussed and once again it will be a full Thanksgiving Dinner. Vets will eat for free. Assignments were made. Some discussion took place about our involvement in Winterfest. Barbara Horn adjourned the meeting.

Books for November 2024

Submitted by Lori Stonehocker

The Measure by Nikki Erlick a Jenna Bush selection
Would you choose to know the length of your life? *The Measure* tells an extraordinary story about eight ordinary people whose lives become forever intertwined. This book is enchanting and thought provoking and would make a great book club discussion.

From Scratch- a memoir of love, Sicily, and Finding Home by Tembe Locke

A Reece Witherspoon book club pick

A captivating story of love lost and found set in the countryside of Sicily. It was love at first sight when Tembi met professional chef Saro, but his traditional Sicilian family disapproved of him marrying a Black American woman. Beautifully told- heartrending and at the same time inspiring.

By Any Other Name by Jodi Picoult

If you like Jodi Picoult's work, you will be amazed at the depth of this book. Picoult heavily researched the history of Emilia Basson. Two young women centuries apart are writers. Melina Green has written a new work inspired by her Elizabethan ancestor Emilia Basson, but it is unlikely to be produced because the theater playing field is not level for women. In 1581 Emilia Basson, a ward of English aristocrats is privileged to receive education not usually afforded women. In a daring move, she pays a young actor – William Shakespeare to front her writing. Both women's story is intriguing but the description of the 1500's way of life is captivating.

Redfield Library Board Meeting

Submitted by Leslie Wiles

Call to Order: Monday, September 9, 2024. 5:02pm

Trustees: President Martha Bosomworth, Treasurer Pauletta Cox, Secretary Leslie Wiles, and Obie Meyers (left at 6:45)

Library Staff: Director Lori Stonehocker

Visitors: Julia Swallow

Approval of Agenda: Motion to amend Agenda to move the Library Director evaluation to first on the Old Business by Wiles. Second by Cox. Approved by all.

Approval of Minutes: Motion to approve August 5 and August 26 meetings minutes by Cox. Second by Meyers. Approved by all.

Financial Report: Treasurer Cox presents a concern about the practice whereas the Trustees are given Library bills at Library Board meetings to approve that have already been sent to the City and paid from the Library fund before they have been approved. The practice may have started because of time issues in paying bills but this practice creates budgeting issues for the Board, as well as confusion as to what bills have been paid or not for that month. The city code of ordinances gives the Library Board exclusive control of all funds allocated to the Library, so this current practice could be modified as soon as possible.

Discussion: There is a need for the Library Board to change its meeting date so they can approve its own bills and finances in a timely manner

before they're moved on to the City for payment from the Library fund. From now on, bills need to be approved by the Library Board before being sent on to be paid. Motion to approve bills and new practices by Cox. Second by Bosomworth. Approved by all.

Library Director Report: Director Stonehocker reported

August attendance numbers for Children Crafts, Chair Yoga, Mahjong, and Book Club were good.

Discussion: Community's use of the Library's Libby App. Do all Library patrons know about Libby and how to use it? Stonehocker said that she would put Libby information in the Redfield Review for Library patrons.

OLD BUSINESS

Library Director Evaluation: The evaluation tool has been surveyed and approved by the Board as it mirrored the Director's job description of the last 24 years so would be familiar to the Director. Since no past Library Director evaluations could be located to compare, the current Board has moved ahead with the job description evaluation tool for this year. **Discussion:** Many productive discussions that will be concluded at the next meeting.

Technology: Moved to the next meeting

Apollo, Access System, Panora Fiber

Approval of FY25 Line Item Budget: Moved to the next meeting

Standards and Accreditation Update: Moved to the next meeting

PW Director Danielson said the street project was finished on October 4th and the light on the building at the park slab will be fixed soon. Danielson showed a picture of the pipe that was repaired at 1515 First Street, it's a 12 ft. two-inch pipe that has had four leaks in 12 months. To remedy the problem, a new main needs to be run to the north and new connections from the current homeowners made.

A handout was received regarding the emergency hook up with Xenia Rural Water. Cave made a motion and Stonehocker seconded to keep it on the west side of the road. Roll call vote – Danielson, Stonehocker, Meyers and Cave, all ayes. Motion carried.

Cave moved and Danielson seconded to approve the street closure for Trunk or Treat in the park on Saturday, October 26th from 3-5 P.M. This will include Third Street from Jefferson to Thomas and Jefferson Street from Second to Third Street. Roll call vote – Stonehocker, Cave and Danielson, all ayes. Meyers abstained. Motion carried.

Danielson moved to approve Resolution 2024-17, a Resolution Approving the Street Finance Report for Fiscal Year 2023/24. Cave seconded the motion. Roll call vote – Meyers, Cave, Danielson and Stonehocker, all ayes. Motion carried.

There being no further business, Stonehocker moved and Danielson seconded that the meeting adjourn,

Meeting adjourned.

Gardening Tips for November in Zone 5 (Redfield)

Submitted by Bill Hotchkis (Master Gardener) & Janell Ketelsen (Master Gardener)

Remember this point from last month? –

“With the overcast skies and cool weather, I found myself looking for additional tomatoes that are trying to mature. Many of my green tomatoes look so perfect, but not ripe. I got some advice from a friend at the Stewart library that if you pick these green tomatoes at the end of the season, put them in a paper sack, and bring them into your basement, they will ripen. I am going to do this; I hope this works!!”

Guess what? My tomatoes in the paper bags are ripening. I have been able to freeze several quarts of tomatoes from these bags and have several bags of green tomatoes turning red and will be totally ripe soon. I need to listen to my friends and follow their advice more often. It is good to listen to other gardeners and find out what has worked for them in the past and incorporate their ideas into your garden space.

I now have turned my attention to watering my garden and fruit trees with the stored rainwater that I have collected this year. I collected around 1500 gallons of rainwater this summer and have used all but 150 gallons of it to date. I need to get my tanks empty prior to a hard continuous freeze to ensure the tanks do not rupture due to the expansion of the ice in the tanks. Putting together a rain barrel system to catch rainwater this year was the best project I did in the garden – it saved money from purchasing water from the city. Watering my fruit trees will help them survive our upcoming harsh Iowa winter.

Here are some other things to do in the garden for the month of November

Gardening "To Do" Tips by Month for Redfield, IA November

- Do not forget to do a soil test for your garden. Now is a good time to get this done. Rather than put on an excessive amount of fertilizer (not knowing your soil test results), you could put on the recommended amount and probably save on fertilizer costs. Over fertilization can contribute to disease issues later in the season.
- If you are considering organic gardening, now is a good time to do your research to make sure you have the time and determination to follow through with this concept – there are obstacles in controlling weeds, insects, and diseases – but it can be done by learning from others that have grown gardens this way in the past.
- Take care of your tools, with care they can last for generations. I have tools that have been handed down to me from my grandfather because he took care of them first. Oil the metal portion and do not forget to take care of the wood handles.
- Pull weeds and clean the garden of debris. Try not to leave plants that have gone to seed as they will infest the garden for years to come
- Use your leaves that have been raked from the yard and incorporate them into the garden. These leaves have organic matter that your soil needs and appreciates
- Cover your root crops with straw (if you did not harvest all the crop and have left some tubers in the ground). It gives them added protection from the cold.
- Have you drained all of your hoses and turned off the water to your outside spigots? Don't let the spigots freeze and break. That water leak could result in a flood in the basement!!
- Empty outside flowerpots especially the clay or concrete ones. Water can freeze and thaw in these containers and fracture the pot if not emptied.

MAP YOUR GARDEN (THIS YEAR). THIS WILL HELP PLAN NEXT YEAR'S PLANTING!!

Have a wonderful Thanksgiving with family and friends.

Meet The Author & Book Signing

Submitted by Lori Stonehocker

The Numbland Security ® trilogy by author David Furneux is a series about a couple and their lives before and after 9/11. It is also a series that pays tribute to the many people who were in the military, its effect on their families, and those serving in the national security agencies that came after 9/11. In 2011, Carrie Station is a rising star in the top-secret world of national security. Jeff is in Kandahar, Afghanistan with his troops, on a plateau with the Taliban surrounding them on nearby mountains. The story then goes back to 2000 in college and 9/11. The series follows the changes in their careers, loves and lives. These people sacrifice. Their stories matter.

- Vendors may not sell any type of alcoholic beverages of any kind, or tobacco, or any kind of product(s) associated with above.
- Vendors are responsible for the set-up and clean-up of their booth(s). Vendors cannot impair others' booths (i. e. sign or display blockage).
- Vendors will not be allowed to move booth locations once a booth has been assigned. No exceptions; however, the Vendor Coordinator may need to move a vendor, and if that is the case, we will help you move. **FYI: We will do our best to get all of our vendors in the gym, BUT, vendors may be placed in the hallway and/or kitchen area. Signs will be put up & helpers will direct customers to check out ALL vendors.**

Rex J. Harvey Foundation

A fund has been set up to raise money for a statue of Rex J. Harvey of Redfield.

Rex attended Dexfield High School, where he helped his track and field team win two state championships under the legendary coach Dean Roe. He then earned a Bachelor of Science in Mechanical Engineering at Iowa State University, where he attended on an athletic track and field scholarship. During which he participated in four U.S. NCAA Division I Championships.

Rex was a Vietnam War Veteran, who served as a Captain in the United States Airforce. As a member of the US Military track and field team he represented the United States at many international competitions, as well as the 1972 and 1976, US Olympic Trials in the Decathlon.

Rex went on to earn a Master of Science Degree in Systems Management at the University of Southern California. During his many years as an engineer, he designed and holds several patents for nozzles. He ended his career as a Research Development Engineer at Parker Corporation in Cleveland, Ohio.

Rex continued his track career as a master's competitor, during which he won 13 straight national decathlon championships, as well as several world championships in the decathlon, pole vault, and as a member of several relay teams.

Rex was inducted into the USATF Masters Hall of Fame in 2000. He was an integral part of developing age-graded tables for scoring masters track and field athletic performances. He was elected to two terms as Vice President Stadia of World Masters Athletics (WMA). At the time of his death, he was serving as the President of USATF Masters Track & Field. Rex had accumulated one million total decathlon points, making him a World Record holder.

Donations to honor Rex can be sent to:

Who are the people in your neighborhood?

Anyone else remember that segment on Sesame Street where you find out about the different business owners, service people, and neighbors in the community? If you live, work, volunteer, or otherwise help Redfield be awesome, I want to hear from you! Please answer the following questions for articles to be included in upcoming issues of the Redfield Review. If you have an idea of someone who should be included, please email your suggestion to caradredge@gmail.com

Your name: _____

What would you like people to know about you and your family? _____

The name of your business or organization is: _____

How long have you been affiliated with this business or organization? _____

What is the primary goal or service offered by your business or organization? _____

What special events [or specials] does your business or organization have coming up? _____

What is something people might not know about you, your business or organization? _____

Just for fun, please answer one of the following questions:

1. If you could completely get rid of one month out of the year, what month would it be and why?
2. If your hometown was a food, what food would it be and why?
3. What would the silliest or most outrageous feature of your dream house be?
